

## BOOKING A SERVICE

Bookings must be made between 8:30am until 4:00pm and at least 2 working days before your desired appointment to ensure we can meet your appointment requirements. i.e. if your appointment is for Monday you would need to book by Thursday. You may also leave a clear message on the answering machine and we will call you back.

Unfortunately when service is full we ask you to rebook a different day.

We are happy to take bookings months in advance so please call us as soon as you have made your medical appointment.

### Please let us know if:

- your appointment is likely to be lengthy
- you have more than one appointment or if you want to schedule in a quick chemist stop etc.
- your spouse, carer or friend are also travelling
- you would prefer an unidentified vehicle (ie no HART Services signage visible)
